Personal information

Name:	Giacomo
Surname:	Micheli
Birthplace:	Italy, Rome
Birthdate:	October 20th, 1988
Citizenship:	Italian

Education

July, 2010	**Bachelor degree in Mathematics** *Cum Laude* University of Rome, "La Sapienza"
September, 2011 - June, 2012	**Erasmus Program:** "University of Manchester'
July, 2012	**Master degree in Mathematics** *Cum Laude*
Master Thesis Title:	**Noncommutative Algebraic Varieties** co-supervised by Prof. C. De Concini and Prof. J. T. Stafford.
September 2012	Started the **Ph.D. program at the ZGSM** under the supervision of Prof. J. Rosenthal.

Undergraduate Awards and Academic Activities

2008/2010	**"Excellence Path"** in Mathematics at "La Sapienza" University (30 position available). Full completion (8/8 additional courses completed). Tuition fees reimbursement for the academic year 2009/2010.
February, 2012	**"Master Excellence Path"** in Mathematics at "La Sapienza" University (10 position available). Full marks admission (30.00/30.00).
July, 2012	**"Master Excellence Path"** completed. Topic: Elliptic Curve Cryptography. Tuition fees reimbursement for the academic year 2011/2012.

Areas of interest

Finite fields:	Both applications and theoretical aspects.
Cryptography:	Mainly the mathematical side.

Teaching Experience

Linear Algebra I:	Fall Semester 2012 (Teaching Assistant)
Linear Algebra II:	Spring Semester 2013 (Teaching Assistant)
Cryptography:	Fall Semester 2013 (Teaching Assistant)
Selected Topics on Finite Fields:	Spring Semester 2014 (Lecturer)
Algebraic Function Fields:	Fall Semester 2014 (Lecturer)
Seminar: curves over finite fields	Fall Semester 2014 (Organizer)
